Admin Note - Orders encounter performed at Health Services.

Administrative Notes:

ADMINISTRATIVE NOTE 1

Provider: Beyer, Sara M.D.

I was not notified about the IM having chest pain ... was sent a cosign that I did not see until after hours. I ordered an EKG, EKG was not shown to me when done as it should have been, EKG was scanned into chart without being shown to me. EKG reviewed and was WNL.

Copay Required: No

ASSESSMENT:

Pain - Back

Patient reported to sick call complaining of back pain over the past FIVE YEARS. He states that he has previously (over the past 2-3 years) been under the care of a "liver specialist" who diagnosed him with cirrhosis and liver cancer, but he has not received treatment. He is convinced that his back pain is the result of liver cancer.
